... SERVING THE GREATER HARTFORD AREA

SPECIALIZING IN...

- FAMILY PRACTICE
- INTERNAL MEDICINE
- ENDOCRINOLOGY
- GASTROENTEROLOGY
- PULMONOLOGY
- SLEEP MEDICINE

Prime Healthcare is a primary care driven integrated physician group in locations throughout the greater Hartford area. The group consists of physicians within the specialties of Internal Medicine, Endocrinology, Gastroenterology and Pulmonology. We are not an HMO or insurance group; we remain your independent physicians. Prime Healthcare has relationships with multiple hospitals within the region, and is founded on the vision that a physician driven health care organization is the most efficient model for delivering high quality, cost effective health care.

Our Main Focuses Include:

- Maintaining excellence in the quality of health care we deliver.
- Improved business efficiency through shared operations.
- Greater access and sharing of information through a single information system.
- Improved opportunity to manage patient populations.
- Increased ability to work and partner with other healthcare organizations.
