

## **PLEASE NOTE THE FOLLOWING**

- If you are on any medications, please bring the actual medication bottles with you on your first visit with the doctor.
- If you have had any recent blood tests, ultrasounds, CAT scans, or x-rays, please have those reports with you or faxed over to our office before your initial appointment.  
(FAX: 674-8984)
- Please fill out the enclosed forms and bring them with you at your appointment. Please do not mail them ahead of time.

Thank You.

## **INSURANCE REFERRALS**

---

Patients are responsible for obtaining any referrals from their Primary Care Physician as required by their insurance company. Failure to obtain a valid referral prior to your appointment may result in you being financially responsible for the visit at the time of service. Except in an emergency situation, the physician/office has the right to reschedule your appointment until a valid referral can be obtained.
